

Investment ESG Scheme

Strategy I

ESG Integration

- ① **Exclude negative industries**
 - ✓ Exclusion of pornography, tobacco, arms, gambling, and other unethical industries.
- ② **Value ESG**
 - ✓ Include ESG evaluation in Investment process.
 - ✓ Monitor the ESG performance of investee companies.
 - ✓ Dynamic adjustment of position according to ESG review and assessment.

Strategy II

Thematic investing -Sustainable

- ③ **Focusing sustainability**
 - ✓ Support thematic investments conducive to the development of ESG matters; invest in circular economy, green energy and sustainability industries, etc.

Strategy III

Bring investors' influence into play

- ④ **Influence**
 - ✓ Management of conflicts of interest.
 - ✓ Keep abreast of the investee's operational status, financial performance and ESG-related issues.
 - ✓ Attend investor conferences of investee companies.
 - ✓ Attend meetings of the board of directors or supervisors, general shareholders' meetings, or extraordinary shareholders' meetings.
 - ✓ Stakeholder engagement.
