These Final Terms, under which the bonds described herein (the **Bonds**) are issued, are supplemental to, and should be read in conjunction with, the offering circular (the **Offering Circular**) dated 22nd September, 2010 issued in relation to the debt issuance programme of European Investment Bank (**EIB**). Terms defined in the Offering Circular have the same meaning in these Final Terms. The Bonds will be issued on the terms of these Final Terms read together with the Offering Circular.

EIB accepts responsibility for the information contained in these Final Terms which, when read together with the Offering Circular, contain all information that is material in the context of the issue of the Bonds.

These Final Terms do not constitute an offer of, or an invitation by or on behalf of anyone to subscribe or purchase any of, the Bonds.

As a result of the decision of the General Meeting of the European Investment Fund (**EIF**), the authorised capital of EIF was increased by 50%, from EUR 3 billion to EUR 4.5 billion, through the issuance of 1,500 new shares on 27th May, 2014.

Consequently, Article 5(1) of the EIF's Statutes was amended, as from 27th May, 2014, and now reads as follows:

“The authorised capital of the Fund shall be four billion five hundred million Euro, divided into 4,500 shares each with a nominal value of one million Euro, open to subscription by the members of the Fund in accordance with Article 6 of these Statutes.”

The newly authorised shares will be available for subscription during a main subscription period in 2014 and three auxiliary annual subscription periods between 2015 and 2017. Each shareholder of EIF is entitled to subscribe a fraction of the increase corresponding to the ratio which existed between the shares subscribed by that shareholder and the capital of EIF before the capital increase. Each newly authorised share which is subscribed shall be paid-in as to 20% of its nominal value together with the payment of a share premium. The remaining 80% of the nominal value can be called upon decision of the EIF General Meeting to the extent required by EIF to meet its liabilities towards its creditors.

On 13th June, 2014, EIB committed to subscribe 923 newly authorised shares (all newly authorised shares allocated to EIB) in the main subscription period in 2014.

The terms of the Bonds and additional provisions relating to their issue are as follows:
