European Investment Bank

Australian Dollar Medium Term Note Programme

European Investment Bank is not a bank or authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia. Notes are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia.

Each offer to purchase or invitation to buy Notes in Australia will constitute an offer or invitation which does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia and will comply with Banking (Exemption) Order No. 82, such that the amount payable by each person who subscribes for or purchases Notes must be at least A\$500,000 (disregarding moneys lent by the offeror or its associates). Other restrictions on offering and transfers of Notes are set out under "Subscription and Sale".

Application has been made for the Notes issued under the Programme to be admitted to the official list of and to trading on the Bourse de Luxembourg, which is the regulated market of the Luxembourg Stock Exchange. However, unlisted Notes may be issued pursuant to the Programme. The relevant Pricing Supplement (as defined herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed on the Luxembourg Stock Exchange.

Prospective investors should consult their own professional, financial, legal and tax advisers about risks associated with an investment in any Notes and the suitability of investing in the Notes in light of their particular circumstances.

Distribution and selling restrictions

Each offer or invitation for applications to issue, sell or purchase Notes will constitute an offer or invitation for which no disclosure to investors is required pursuant to Parts 6D.2 or 7.9 of the Corporations Act. Accordingly, neither this Information Memorandum nor any other document in connection with the Programme has been lodged with the Australian Securities and Investments Commission ("ASIC"). The Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporation Act.

The Issuer, the Arranger, any Lead Manager, any Dealer and the Registrar do not represent that this document may be lawfully distributed, or that any Notes may be lawfully offered for issue, sale or purchase, or issued, sold or purchased, or applications invited for the issue, sale or purchase of Notes, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by any of those parties which would permit a public offering of any Notes or possession or distribution of this Information Memorandum or any other offering material in any country or jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered for issue, sale or purchase, or issued, sold or purchased or applications invited for the issue, sale or purchase, directly or indirectly, and neither this Information Memorandum nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and directives and the Dealers have represented that the Dealers will comply with the laws of all applicable jurisdictions.

No offer

This Information Memorandum does not, and is not intended to, constitute an offer or an invitation by or on behalf of the Issuer, the Arranger, any Lead Manager, any Dealer or the Registrar (or, without limitation, their respective subsidiaries, related bodies corporate, officers or employees) to subscribe for, purchase, or otherwise deal in, any Notes.

There are references in this Information Memorandum to credit ratings. A credit rating is not a recommendation to buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the relevant rating agency. Each credit rating should be evaluated independently of any other credit rating.

Credit ratings are for distribution only to a person (a) who is not a “retail client” within the meaning of section 761G of the Corporations Act and is also a sophisticated investor, professional investor or other investor in respect of whom disclosure is not required under Parts 6D.2 or 7.9 of the Corporations Act, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Information relating to the European Investment Bank

Introduction

The Issuer is an autonomous public institution established by the Treaty on the Functioning of the European Union, as amended and supplemented from time to time (as defined below). The Issuer's capital is subscribed by the Member States of the European Union (as defined below). The Issuer has never defaulted on the payment of principal of or interest on any security issued by it. The Issuer grants finance, in particular in the form of loans and guarantees, for investments, utilising its own capital resources and borrowings on capital markets. The Issuer is situated at 98-100, boulevard Konrad Adenauer, L-2950 Luxembourg, Grand Duchy of Luxembourg.

Mission

Under the Treaty, the purpose of the Issuer is to contribute, mainly by having recourse to the capital markets, to the balanced and steady development of a common market among Member States. To that end, operating on a non-profit-making basis, the Issuer is required by the Treaty to grant loans and give guarantees for projects which develop the less-developed regions of the EU and, where the projects are of such size or nature that they cannot be entirely financed from resources available in the individual Member States, for projects which modernise or develop undertakings or develop new activities, or which are of common interest to several Member States. In addition, the Issuer grants loans and gives guarantees for projects outside the EU, generally within the framework of agreements between the EU and non-member states.

Constitution and Membership

The Issuer is separate from the EU institutions and it has its own governing bodies, sources of revenues and financial operations and is solely responsible for its indebtedness. The Issuer is governed by the provisions of the Treaty, the Statute (as defined below), and the Protocol on the Privileges and Immunities of the European Union (as defined below).

The members of the Issuer are the 28 Member States of the EU and the following table sets out the share of each Member State in the subscribed capital of the Issuer as of the date of this Information Memorandum.

The board of directors of the Issuer may require payment of the balance of the subscribed capital, to such extent as may be required by the Issuer to meet its obligations. Each Member State shall make this payment in proportion to its share of the subscribed capital in the currencies required by the Issuer to meet these obligations.

Administration

The Issuer is directed and managed by a board of governors, a board of directors and a management committee. The board of governors consists of government ministers, usually ministers of finance, appointed by the Member States. The board of directors is composed of 29 directors and 19 alternate directors, each appointed by the board of governors on nomination by the Member States and the commission of the European Union. There are also six non-voting experts co-opted to the board of directors. The management committee consists of the president and vice-presidents appointed for a period of six years by the board of governors on a proposal from the board of directors.

Legal status

The Issuer has a legal personality and possesses in each Member State the most extensive legal capacity accorded to legal persons under the laws of each such Member State. It may acquire and transfer property and sue and be sued in its own name.

The Issuer and its assets, revenue and other property are exempt from all direct taxes of the Member States. The Issuer is also exempt from any fiscal charges in respect of increases in its subscribed capital or paid-in capital and from any related formalities in the Member State in which the Issuer has its seat. The activities of the Issuer carried out under the terms of the Statute may not be the subject of any turnover tax in the Member States.

The Treaty provides that the Court of Justice (as defined below) has exclusive jurisdiction in certain cases involving the fulfilment by Member States of their obligations under the Statute and the lawfulness of measures adopted by the board of governors and the Issuer's board of directors. Subject to the foregoing exclusive jurisdiction of the Court of Justice, any litigation between the Issuer and its creditors or debtors, including claims based on guarantees made by Member States, may be determined by competent national courts. The property and assets of the Issuer within the Member States are not, except by judicial decision and with the authorization of the Court of Justice, subject to attachment or to seizure by way of execution.

Use of proceeds

The net proceeds to the Issuer from the sale of the Notes offered hereby will be used in the general operations of the Issuer, including disbursements of loans granted by the Issuer prior to or after the

date of this Information Memorandum. Neither the particular projects for which, or borrowers to which, loans will be made nor the countries in which such projects will be located have been identified.

- Programme:** An Australian dollar non-underwritten revolving medium term note programme.
- Programme Limit:** Unlimited.

- Lead Manager:** Lead Managers will be appointed for a particular syndicated Note issuance under the Subscription Agreement for that issuance.
- Dealers:** Dealers will be appointed from time to time in accordance with the Dealer Agreement for the Programme.
- Registrar:** The Bank of New York Mellon, Australia Branch (ABN 84 084 066 419) or such other person appointed by the Issuer to establish and maintain the Register on the Issuer's behalf from time to time.
- Status:** The Notes will constitute unconditional, direct and general obligations of the Issuer all as described under Condition 4 (see "Terms and Conditions" below).
- Governing law:** The Notes and all related documentation will be governed by the laws of the New South Wales.
- Use of proceeds:** The net proceeds of any issue of Notes will be used by the Issuer for the general operations of the Issuer.
- Term:** The term of the Programme continues until terminated by the Issuer giving 10 days' notice to the Arranger and the Dealers, or earlier by agreement between all the parties to the Dealer Agreement.
- Stamp duty:** Any stamp duty incurred at the time of issue of the Notes will be for the account of the Issuer. Any stamp duty incurred on a transfer of Notes will be for the account of the Noteholders. As at the date of this Information Memorandum, no Australian stamp duty is payable on the issue of the Notes, or the transfer of the Notes, where that transfer occurs for full market value through the Austraclear System. Investors are advised to seek independent advice regarding any stamp duty or other taxes imposed by another jurisdiction upon the transfer of Notes, or interests in Notes, in any jurisdiction outside of Australia.
- Taxes:** Investors should obtain their own taxation advice regarding the taxation status of investing in Notes.
- Withholding tax:** Payments to Noteholders will be subject in all cases to any fiscal or other laws and directives applicable thereto. The Issuer shall not be obliged to pay any additional amounts to the Noteholders to compensate for any taxes or charges so withheld pursuant to any such laws or directives.
- So long as the Issuer remains a non-resident of Australia and the Notes are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under the Notes will not, under current taxation rules, be subject to Australian interest withholding tax.

The Issuer has been advised that:

- (a) *withholding taxes on payments in respect of Notes* - section 12-140 of the Taxation Administration Act 1953 of Australia ("**Taxation Administration Act**") imposes a type of withholding tax at the rate of 46.5% (with an increase to 47% in respect of assessments on or after 1 July 2014, but see below) on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian tax file number ("**TFN**"), (in certain circumstances) an Australian Business Number ("**ABN**") or proof of some other exception (as appropriate). So long as the Issuer remains a non-resident of Australia and the Notes are not attributable to a permanent establishment of the Issuer in Australia, the tax file number requirements of Part VA of the Income Tax Assessment Act 1936 of Australia ("**ITAA**") and section 12-140 of the Taxation Administration Act should not apply in connection with the Notes.

A Bill was recently introduced into Parliament which proposes to increase the rate of tax under these provisions from 47% to 49% for the 2014-15, 2015-16 and 2016-17 income years. It will not become law until it is passed by Parliament. Prospective holders of Notes should monitor any developments in this area;

- (b) *supply withholding tax* - so long as the Issuer does not issue the Notes, or use the proceeds of the Notes or make payments in relation to the Notes, in the course or furtherance of an enterprise carried on in Australia, the requirements of section 12-190 of the Taxation Administration Act relating to the provision of an ABN should not apply to the obligations of the Issuer in relation to the Notes. Consequently, no withholding should be required to be made by the Issuer from payments of principal and interest on the Notes if a Noteholder does not quote its ABN;
- (c) *goods and services tax ("**GST**")* - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia. Furthermore, neither the payment of principal or interest in respect of the Notes by the Issuer, nor the disposal of the Notes, would give rise to a liability to any GST liability in Australia; and
- (d) *stamp duty and other taxes* - no *ad valorem* stamp, issue, registration or similar taxes are payable in Australia on the issuance of, subscription for, transfer of or redemption of any Notes.

Rating: Notes issued under the Programme will not be separately rated, but will assume the credit rating of the Issuer by Standard & Poor's (Australia) Pty Limited and by Moody's Investors Services Pty Limited.

Form: Notes will be issued in registered uncertificated form. They will be constituted by the MTN Deed Poll and will take the form of entries on a Register maintained by the Registrar. No certificate or other evidence of title will be issued. The Notes of any Series may be described as "Notes" or "Bonds" as specified in the relevant Pricing Supplement. There is no trustee for the holders of Notes.

Issuance in Series: Notes will be issued in Series. Each Series may comprise one or more Tranches issued on different issue dates. The Notes of each Series will all be subject to identical terms, except that the issue date may be different in respect of different Tranches of a Series.

Title: Entry of the name of a person in the Register in respect of a Note constitutes the obtaining or passing of title and is conclusive evidence that

the person so entered is the registered owner of the Notes.

- Austraclear:** The Issuer will apply to Austraclear for approval of the Notes of each Series to be traded on the Austraclear System. Such approval of Notes by Austraclear is not a recommendation or endorsement by Austraclear of the Notes.
- Denominations:** Notes will be issued in denominations of A\$1,000 (or its equivalent in an alternative currency) or such other amount specified in the relevant Pricing Supplement.
- Tenor:** As specified in the relevant Pricing Supplement, but at least 365 days.
- Issue Price:** Notes may be issued at any price on a fully or partly paid basis. The Issue Price is the price as specified in the relevant Pricing Supplement.
- Settlement Price:** The Settlement Price in respect of a Note is the price as specified in the relevant Pricing Supplement (being the Issue Price less any fees payable by the Issuer to the Dealer in respect of the Note plus Accrued Interest (if any, and in the case of a subsequent Tranche of Notes in the same Series) and (if the Issue Date is postponed) an amount equal to any interest in respect of the Note which would have accrued from the original Issue Date until the new Issue Date).
- Accrued Interest:** Accrued Interest payable in respect of any Note is the amount or price (if any) specified in the relevant Pricing Supplement.
- Interest:** Notes may be interest bearing or non-interest bearing. Interest (if any) may accrue at a fixed or variable rate and may vary during the life of a Series.
- Interest payment dates:** Interest (if any) is payable on the date or dates specified in the relevant Pricing Supplement.
- Transfer procedure:** The minimum aggregate price payable on each transfer of Notes (or any interest in them) which is subject to the Corporations Act must be at least A\$500,000 (disregarding moneys lent by the offeror or its associates) or the transfer must be otherwise effected in a manner which constitutes an offer or invitation which does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act, does not constitute an offer to a "retail client" as defined for the purposes of section 761G of the Corporations Act and complies with the Banking (Exemption) Order No. 82 promulgated by the Banking Act, as if it applied to the Issuer *mutatis mutandis*. If a transfer is not subject to the Corporations Act, it must be made in a manner which will comply with all applicable laws.
- Interests in Notes which have been entered in the Austraclear System will be transferred only in accordance with the rules and regulations of the Austraclear System.
- Application for the transfer of Notes not in the Austraclear System must be made by lodgement of a duly completed and (if applicable) stamped transfer and acceptance form with the Registrar. Transfer and acceptance forms are obtainable from the Registrar. A transfer takes effect upon the transferee's name being entered on the Register.
- Redemption:** Notes entered in the Austraclear System will be redeemed at maturity through Austraclear in a manner consistent with the Austraclear Regulations or, where the Notes are not entered in or have been removed from the Austraclear System, by payment by electronic transfer or cheque made in accordance with the Terms and Conditions.
- Payments:** All payments will be made in Australian dollars. Payments of principal and interest under Notes entered in the Austraclear System will be made in

accordance with the Austraclear Regulations. If the Notes are not entered in or are removed from the Austraclear System, payments will be made to the persons whose names are entered in the Register to an account in Australia previously notified to the Issuer and the Registrar. If the Noteholder has not notified such an account by the close of business on the relevant Record Date (being the eighth calendar day before the relevant date for payment) or as otherwise set out in the Terms and Conditions, payment will be made by cheque (drawn on a bank in Australia in favour of the Noteholder (or to the first named if joint registered owners)) and mailed on the relevant payment date to the Noteholder (or to the first named of joint registered owners) of such Note.

Listing: Application has been made for the Notes issued under the Programme to be admitted to the official list of and to trading on the Bourse de Luxembourg, which is the regulated market of the Luxembourg Stock Exchange. However, unlisted Notes may also be issued under this Programme.

Non-interest bearing Notes

- 5.3 If any Maturity Redemption Amount in respect of any Note which is non-interest bearing is not paid when due, interest shall accrue on the overdue amount at a rate per annum (expressed as a percentage per annum) equal to the Amortisation Yield as defined in, or determined in accordance with the provisions of, the relevant Pricing Supplement or at such other rate as may be specified for this purpose in the relevant Pricing Supplement.

Calculations and adjustments

- 5.4 The amount of interest payable in respect of any Note for any period of less than one year is calculated by multiplying the product of the Interest Rate and the Outstanding Principal Amount by the Day Count Fraction, save that if the relevant Pricing Supplement specifies an amount in respect of such period, the amount of interest payable in respect of such Note for such period is equal to such specified amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period is the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

If any Maximum Interest Rate or Minimum Interest Rate is specified in the relevant Pricing Supplement, then the Interest Rate will not in any event exceed the maximum or be less than the minimum so specified.

For the purposes of any calculations referred to in these Terms and Conditions and unless otherwise specified in these Terms and Conditions or the relevant Pricing Supplement:

but in no event later than 5.00pm on the Business Day on which such calculation is made.

The Calculation Agent must obtain relevant quotes from appropriate banks or reference agents or obtain information from such other sources as are specified in these Terms and Conditions or the Pricing Supplement or, failing which, as the Calculation Agent deems appropriate.

- (a) the Issuer shall default in any payment in respect of any of the Notes and such default shall not have been remedied by payment thereof within 30 days after written notice of such default shall have been given by a Noteholder to the Issuer at its office at 98-100, Boulevard Konrad Adenauer, L-2950 Luxembourg, Grand Duchy of Luxembourg or at such other address as shall be notified to the Noteholders under Condition 11;
- (b) the Issuer shall default in the due performance of any of its other obligations in respect of the Notes and such default shall continue for a period of 30 days after written notice thereof shall have been given by a Noteholder to the Issuer at its said office or at such other address as shall be notified to the Noteholders in accordance with Condition 11; or
- (c) any other indebtedness of the Issuer for borrowed money shall become due and payable prior to the stated maturity thereof as a result of a default thereunder or any such indebtedness shall not be paid at the maturity thereof as extended by an applicable grace period therefor or any guarantee given by the Issuer for borrowed money shall not be honoured within 30 days when due and called upon in accordance with its terms.

Consequences of an Event of Default

7.2 Subject to Conditions 7.3 and 7.4, if any Event of Default occurs in relation to the Notes of any Series or any of them, then a Noteholder in that Series may by written notice to the Issuer (with a copy to the Registrar) declare the Early Termination Amount (together with all accrued interest (if any)) applicable to each Note held by the Noteholder to be due and payable immediately or on such other date specified in the notice.

Rectification

- 7.3 A Noteholder's right to declare Notes due terminates if the situation giving rise to it has been cured before such right is exercised.

Notice requirements

- 7.4 Any notice declaring Notes due must be given in accordance with the requirements of Condition 11 and be accompanied by proof that such Noteholder at that time is a holder of the relevant Notes.

8 Payments

Record Date

- 8.1 Payments to Noteholders will be made according to the particulars recorded in the Register at 5.00pm on the relevant Record Date.

Joint holders

- 8.2 When a Note is held jointly, payment will be made to the holders in their joint names unless requested otherwise in accordance with the Registrar's requirements.

Payments to accounts

- 8.3 Payments in respect of each Note will be made in Australian Dollars and:
- (a) if the Notes are in the Austraclear System, by crediting on the relevant Payment Date, the amount then due to the account (held with a bank in Australia) of the Noteholder in accordance with the Austraclear Regulations; and
 - (b) if the Notes are not in the Austraclear System, by crediting on the Payment Date, the amount then due to an account in Australia previously notified by the registered owner of the Note to the Registrar or, if applicable, the Transfer Agent. If the registered owner of the Note has not notified the Registrar or, if applicable, the Transfer Agent of such an account by close of business on the relevant Record Date, payments in respect of the relevant Note will be made by cheque (drawn on a bank in Australia), mailed on the relevant Payment Date, at the Noteholder's risk to the registered owner (or to the first named of joint registered owners) of such Note at the address appearing in the Register as at the Record Date. Cheques to be despatched to the nominated address of a Noteholder will in such cases be deemed to have been received by the Noteholder on the relevant Payment Date and no further amount will be payable by the Issuer in respect of the relevant Note as a result of payment not being received by the Noteholder on the due date.

Payments to the Registrar

- 8.4 Unless otherwise agreed between the Issuer and the Registrar, the Issuer must pay amounts due under each Note to a bank account in Sydney in the name of the Issuer operated by the Registrar.

Payment constitutes release

- 8.5 Any payment made by or on behalf of the Issuer to the Registrar or such other paying agent for the account of a person whose name is, at the time such payment is made, inscribed in the Register as the Noteholder constitutes for all purposes an absolute and unconditional release and discharge of the Issuer, to the extent of such payment, of all obligations and indebtedness in respect of the Note in relation to which the payment was made.

Business Days

- 8.6 All payments must be made in accordance with the Applicable Business Day Convention. If payment is to be made to an account on a business day on which banks are not open for general banking business in the city in which the account is located, the Noteholder is not entitled to payment of such amount until the next business day on which banks in such place are open for general banking business and is not entitled to any interest or other payment in respect of any such delay.

Payments subject to fiscal laws

- 8.7 Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto. Consequently, none of the Issuer, the Registrar or, if applicable, the Transfer Agent will make any additional payments in the event of a withholding being required in respect of any payment under or in connection with the Notes. None of the Issuer, the Registrar or, if applicable, the Transfer Agent shall be liable to any Noteholder or other person for any commissions, costs, losses or expenses in relation to or resulting from such payments.

9 Further issues

The Issuer may from time to time but always in accordance with the Transaction Documents, without the consent of any Noteholder, issue further Notes having the same terms and conditions as the Notes of any Series in all respects (or in all respects except for the aggregate principal amount, the Issue Date, the first Interest Payment Date (if any) and the Issue Price) so as to form a single Series with the Notes of that Series.

10 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless such claim is made within 5 years of the due date or, if later, the date on which the payment is fully provided for by the Issuer making payment to the Registrar in accordance with Condition 8.4.

11 Notices

- 11.1 A notice or other communication in connection with a Note to the Issuer or the Registrar must be in writing and may be given by delivery to the address of the addressee or by fax or email to the fax number or email address of the addressee as agreed between those parties from time to time or as specified in the Information Memorandum.

To Noteholders through Austraclear

11.3 Notwithstanding Condition 11.2, if a Note is held in or through the Austraclear System, notices to the relevant Noteholder may be given by way of delivery to Austraclear (or the Registrar for delivery to Austraclear) for communication by it through the Austraclear System to each Noteholder in accordance with the Austraclear Regulations.

Effective on receipt

11.4 Unless a later time is specified in it, a notice, approval, consent or other communication takes effect from the time it is received, except that if it is received after 5.00pm in the place of receipt or on a non-business day in that place, it is to be taken to be received at 9.00am on the next succeeding business day in that place.

12 Meetings of Noteholders

Meetings of Noteholders may be convened in accordance with the Meeting Provisions and with notice to Noteholders pursuant to Condition 11. Any such meeting may consider any matters affecting the interests of Noteholders, including, without limitation, the variation of the terms of the Notes by the Issuer and the granting of approvals, consents and waivers.

13 Amendments

The Terms and Conditions may be supplemented, amended, modified or replaced by the Issuer without the consent of any Noteholder:

- (a) for the purposes of curing any ambiguity, or correcting or supplementing any defective or inconsistent provisions therein; or
- (b) in any manner which the Issuer deems necessary or desirable,

and which, in either case, does not adversely affect the interests of the Noteholders.

The Issuer shall give notice to the Noteholders of any material changes.

The Terms and Conditions may otherwise be varied by the Issuer with the approval of the Noteholders by Extraordinary Resolution. No other variation to the Terms and Conditions has effect in relation to the Noteholders who hold Notes at the date of any amending deed, unless they otherwise agree in writing. A variation will take effect in relation to all subsequent Noteholders. A variation which affects only a particular Series or Tranche of Notes may be approved solely by the Noteholders of such Series or Tranche.

14 Registrar and Transfer Agent (if applicable)

Role of the Registrar

14.1 In acting under the Registry Services Agreement in connection with the Notes, the Registrar acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders save insofar as that any funds received by the Registrar shall, pending their application in accordance with the Registry Services Agreement, be held by it in a segregated account which shall be held on trust for the persons entitled thereto.

Appointment of Transfer Agent (if required)

Notice of any such appointment will be given to the Noteholders in accordance with Condition 11. If a Transfer Agent is appointed following any such Withdrawal of the Notes, the Transfer Agent shall act solely as agent of the Issuer and does not assume any obligations towards or relationship of agency on trust for or with any of the Noteholders.

Change of Registrar or Transfer Agent

14.3 The Issuer reserves the right at any time to terminate the appointment of either the Registrar or the Transfer Agent and to appoint successor or additional registrars and transfer agents. Notice of any such termination must be given to the Noteholders in accordance with Condition 11.

15 Governing law and jurisdiction

Governing law

15.1 The Notes are governed by the law in force in New South Wales.

Jurisdiction

The property and assets of the Issuer within the Member States of the European Union may not be the subject of any administrative or legal measure of constraint without the authorisation of the Court of Justice.

Service of process

15.3 Without preventing any other mode of service, any document in an action (including,

No action has been or will be taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum or any other offering material, in any country or jurisdiction where action for that purpose is required. Accordingly each Dealer will undertake that it will not, directly or indirectly, offer or sell any Notes or distribute or publish the Information Memorandum or any other offering material in any country or jurisdiction except in compliance with any applicable laws and regulations.

Without prejudice to the generality of the paragraph above the Issuer shall not have any responsibility for, and each Dealer will agree to obtain, any consent, approval or permission for subscription, offer or sale of Notes required by it under, and each Dealer will agree to comply with, the laws and regulations in force in any jurisdiction to which it is subject or in or from which it makes any such subscription, offer or sale.

Each Dealer will undertake that it has not made, and will not make, any representation or use any information in connection with the issue, offering or sale of any of the Notes other than as contained in, or which is consistent with, the documents permitted to be circulated in accordance with the provisions of the Dealer Agreement.

Persons in whose hands this Information Memorandum comes are required to comply with all applicable laws and regulations in each country or jurisdiction in which they purchase, offer, sell or deliver Notes or have in their possession or distribute such offering material and to obtain any consent, approval or permission required by them for the purchase, offer, sale or delivery by them of any Notes under the law and regulations in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales or deliveries, in all cases at their own expense, and neither Issuer nor any Dealer shall have responsibility therefor. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.
