### **Discussion Items**

<b>Discussion Item No. 1:</b>	Discussion and ratification of the Bank's issuance of new	
	shares through capitalization of earnings.	

### **Explanation:**

1. In order to reinforce working capital, strengthen the financial structure and raise the capital adequacy ratio, the Bank plans to set aside NT\$1,048,857,080 from the stock dividends of distribution of 2021 profit as the capital for issuing new shares with a face value of NT\$10 per share in accordance with Article 240 of the Company Act. It is expected to issue 104,885,708 shares of common stock and, after the capitalization of earnings, the Bank's capital will become NT\$105,934,565,500.

- 2. For the method of handling fractional shares, please refer to Article 267 of the Company Act. The Board of Directors is authorized to set the record date for the proposed capital increase after receiving approval from the competent authority. The distribution of the new shares should be made to the shareholders with no consideration at the ratio of 10 new shares for every 1,000 shares held by shareholders according to their respective shareholding as stated in the shareholders' register book on the record date. Within 7 days from the stock dividend record date, shareholders may apply to the stock affairs agent of the Bank to combine fractional shares into one share. Odd lots of less than one share thus collected by the Bank will be placed at its par value with specific parties as determined by the Chairman under the authorization of the AGM.
- 3. The rights and obligations of the newly issued shares will be the same as those of existing shares.
- 4. As a result of the repurchase of the Bank's shares or assignment, conversion and deletion of the treasury stock. The Board of Directors is authorized to adjust the distribution terms if the number of outstanding shares is affected by an amendment to relevant laws or regulations, a request by the competent authorities, or other situations leading to change in shareholder's distribution ratios.

Shareholder  $\bigcirc$ -Wun Jhou (Shareholder No. 3003033) inquired about shareholdings of management, and shareholder  $\bigcirc$ -Guang Huang (Shareholder No. 2552786) inquired about the amount of remuneration of independent directors and made suggestions on improving the company's social image, and increasing employee remuneration, explained by the chairperson.

### Discussion Item No. 2: In order to comply with the amendments to relevant laws and regulations and strengthen the Bank's corporate governance, it is proposed to amend some of the provisions of the Bank's Articles of Incorporation. It is hereby submitted for deliberation and approval.

### **Explanation:**

- 1. In response to the amendments to the Company Act and the Corporate Governance Best Practice Principles for TWSE/TPEx Listed Companies by the competent authority and the continuous strengthening of the Bank's corporate governance, it is proposed to amend some of the provisions of the Bank's Articles of Incorporation in compliance with such amendments, with the highlights as follows:
  - (1) With reference to Article 172-2 of the Company Act amended and promulgated via the order dated December 29, 2021 referenced Tzung-Tung-Hwa-Tzung-I-Ching No. 1000115851, the competent authority considers that following the progress of digital technology, it is becoming more and more popular for shareholders to participate in shareholders' meetings and exercise shareholders' rights via video conferencing. Therefore, it is stipulated that if the shareholders' meeting of the Bank is convened via video conferencing, it shall comply with the relevant regulations. (Article 10, Paragraph 2 amended)
  - (2) With reference to Article 177-1 of the Company Act and the order of the Financial Supervisory Commission (hereinafter referred to as the FSC) dated January 18, 2022 referenced Chin-Kuan-Cheng-Chiao No. 1110380064, when holding a shareholders' meeting, listed (OTC) companies and emerging companies shall list electronic means as one of the channels for exercising their voting rights. Therefore, in accordance with the current practical operation of the Bank, it is stipulated that when the Bank holds a shareholders' meeting, shareholders shall exercise their voting rights in writing or electronically in accordance with the provisions of laws and regulations. (Article 16, Paragraph 2 amended)
  - (3) In accordance with the "Sample Template for XXX Co., Ltd. Rules of Procedure for Shareholders Meetings" of the Taiwan Stock Exchange (hereinafter referred to as the TSE) and the amendment to Article 44-22 of the Regulations Governing the Administration of Shareholder Services of Public Companies by the FSC, it is stipulated that the minutes of shareholders' meetings shall be handled in accordance with the provisions of laws and regulations. (Article 17, Paragraph 2 amended)
  - (4) With reference to Article 24 of the Corporate Governance Best Practice Principles for TWSE/TPEx Listed Companies amended by the TSE and in accordance with the current practice of the Bank, it is stipulated that the number of independent directors of the Bank shall not be less than one-third of all directors. (Article 18, Paragraph 5 amended)
  - (5) In accordance with Article 196, Paragraph 1 of the Company Act and the current practice of the financial industry, the provisions on the resignation and retirement

benefits of the Chairman of the Bank upon leaving office are stipulated. (Article 19, Paragraph 4 amended)

- (6) In order to comply with the actual operation of the Bank's board meeting once a month and with reference to Article 3, Paragraph 1 of the Regulations Governing Procedure for Board of Directors Meetings of Public Companies, it is stipulated that the Bank shall convene the board meeting at least once per quarter. (Article 21, Paragraph 1 amended)
- 2. Attachment: The Comparison Table of Amendments to Parts of the Bank's Articles of Incorporation.

Shareholder O-Guang Huang (Shareholder No. 2552786) speak on the provision content to the proposal.

### Discussion Item No. 3: In order to comply with the revision of laws and regulations and practical operations, it is proposed to revise some of the provisions of the Bank's Rules for Director Elections. It is hereby submitted for deliberation and approval.

### **Explanation:**

- 1. The "Sample Template for XXX Co., Ltd. Procedures for Election of Directors" of the Taiwan Stock Exchange (hereinafter referred to as the TSE sample) was referred to, and Articles 9, 11, and 14 of the Rules for Director Elections were amended with the key points as follows:
  - In view of the fact that the Bank has fully adopted the candidate nomination system since 2014, the requirement that the voting ballots should be printed with the relevant identification information of the candidates for director elections is removed. (Article 9, Paragraph 1 amended)
  - (2) With reference to Article 10 of the TSE sample regarding the invalidity of the voting ballots and the relevant interpretations of laws from the Ministry of Economic Affairs, Article 11 was amended:
    - A. According to Article 173 of the Company Act, shareholders may convene a shareholders meeting in accordance with the law under certain circumstances. Subparagraph 1, therefore, has been amended to state "The ballot was not prepared by the person with the right to convene."
    - B. Words or marks other than the number of voting rights allotted are entered." has been added to Subparagraph 5.
    - C. With reference to Article 181, Paragraph 3 of the Company Act and the interpretations of laws of the Ministry of Economic Affairs referenced Ching-Shang No. 10800086000 on October 25, 2019, and referenced Ching-Shang No. 10800039890 on June 5, 2019, the following has been added to Subparagraph 6: "Except otherwise provided by laws and regulations, the number of voting rights distributed by the elector to non-independent directors or independent directors to be elected."
  - (3) In order to comply with corporate governance and safeguard shareholders' rights and interests, it is specified that voting results to be announced on the spot by the chair shall include the list of elected and non-elected directors and their number of voting rights received. (Article 14, Paragraph 2 amended)

### Discussion Item No. 4: In response to the regulatory amendments as well as the practices of the Shareholders Meeting, it is proposed to revise the provisions of Article 3 of the "Rules of Procedure for the Shareholders Meetings" of the Bank. It is hereby submitted for deliberation and approval.

### **Explanation:**

- 1. In accordance with the Letter No.1100365384 issued by the Financial Supervisory Commission (hereinafter referred to as the FSC) on December 16, 2021, which amended the provisions of Article 6, Paragraph 2 of the "Regulations Governing Content and Compliance Requirements for Shareholders' Meeting Agenda Handbooks of Public Companies" stipulating that TWSE-listed and TPEx-listed companies with a paid-in capital of NT\$10 billion or more shall, at the end of the most recent fiscal year, send an electronic file version of the shareholders meeting manual and supplementary materials to the information reporting website (i.e., the Market Observation Post System) designated by the Financial Supervisory Commission of the Executive Yuan 30 days prior to the general shareholders meeting, the provision of Article 3, Paragraph 2 of the "Rules of Procedure for the Shareholders Meetings" of the Bank is hereby revised accordingly.

Discussion Item No. 5: In order to cooperate with the Financial Supervisory Commission in amending some of the provisions of the "Regulations Governing the Acquisition and Disposal of Assets by Public Companies" and to be in line with the Bank's actual operations, it is proposed to amend the Bank's handling procedure for asset acquisition and disposal is proposed for revision. It is hereby submitted for deliberation and approval.

### **Explanation:**

1. This is processed in accordance with Order No. Financial-Supervisory-Securities-Corporate-1110380465 issued by the Financial Supervisory Commission (hereinafter referred to as "the FSC") on January 28, 2022, which amended the "Regulations Governing the Acquisition and Disposal of Assets by Public Companies" (hereinafter referred to as "the Regulations").

- 2. In order to cooperate with the FSC in the amendments to some provisions of the Regulations for the purpose of being in line with practical operations and strengthening the management of related party transactions, as well as to be in line with actual operations of the Bank, it is intended to cooperate in the revision of the Bank's "Chang Hwa Commercial Bank, Ltd. Handling Procedures for the Acquisition and Disposal of Assets". The key points of the revision are hereby set out as follows:
  - (1) Improving the quality of opinion letters issued by external experts:
    - A. In order to clarify the procedures and responsibilities that external experts shall follow, it is clearly stipulated that when professional appraisers and their personnel, accountants, lawyers, or securities underwriters issue appraisal reports or opinion letters, in addition to relevant operational matters that shall be handled when undertaking and executing cases in accordance with the current regulations, they shall also handle such matters in compliance with the self-regulatory rules of the respective trade association to which they belong. The relevant wording concerning that accountants shall comply with the Statements on Auditing standards is deleted. (Articles 5, 10, 11, and 12 amended)
    - B. In view of the fact that the work of experts to issue appraisal reports or letters of opinion on reasonableness does not belong to the work of financial reports audit, the wording is hereby amended from "auditing" cases to "executing" cases. In addition, in order to be in line with data sources, parameters, and other actual situations when experts conduct the appraisal. used, the wording concerning the appraisal is hereby amended from "completeness, correctness, and reasonableness" to "appropriateness and reasonableness". (Article 5 amended)
  - (2) Strengthening the management of related party transactions:
    - Taking account of the norms of major international capital markets, the provision is hereby added that when the public company or its subsidiary that is not a domestic public company acquires or disposes of assets from or to related parties, where the transaction amount reaches 10% or more of the total assets of the public company, the public company shall submit relevant materials to the Shareholder Meeting for approval before implementing such transactions so as to protect the rights and interests of shareholders; however, transactions between the public company and its parent company or subsidiaries, or transactions between its subsidiaries shall be exempt from being submitted to the Shareholders Meeting for a resolution. (Article 16 amended)
  - (3) Amendment made to be in line with actual operations: Considering that the Bank intends to abolish the "Chang Hwa Commercial Bank, Ltd. Handling Procedures for Engaging in Derivative Transactions", the relevant wording is hereby amended accordingly. (Articles 20, 22, 23, and 32 amended)
  - (4) Relaxation of requirements for information disclosure of some transactions:
    - A. Considering that currently public companies have been exempted from the requirements for filings and public announcements of the purchase and sale of domestic government bonds, the requirements for public announcements of the purchase and sale of foreign government bonds with their credit ratings not lower than our country's sovereign rating are hereby relaxed and may also be exempted. (Article 32 amended)
    - B. In consideration of the simple nature of foreign government bonds as well as the similar nature in products of exchange-traded notes and exchange-traded funds, the requirements for public announcements of subscriptions for foreign government bonds or subscriptions to or redemptions of exchange-traded notes in the primary market by investment professionals are hereby relaxed and may be exempted.

(Article 32 amended)

# 2021 Business Report of Chang Hwa Commercial Bank, Ltd.

### A. 2021 Results of Operations

### a. The Domestic and Overseas Financial Environments

The global economy and trade activities in 2021 were still under the shadow of the COVID-19 epidemic, coupled with the ultra-loose monetary policies in various countries, the significant delays due to port congestion, and the shortage of chips. The above issues have led to an imbalance in the supply chain and raised the risk of asset price bubbles and the global inflation crisis. With the increase in the vaccination rate and economic revitalization measures, the global economy is generally showing a steady recovery trend.

In Taiwan, with the whole country united to fight against the epidemic, the stabilization of the epidemic has enabled the people to live as usual, which helped rebound in domestic demand coupled with the government's measures to stimulate consumption, the increase in foreign trade exports, and the boom in private investment. In addition to providing financing funds, the Bank also assists in revitalizing the economy after the epidemic, rebuilding infrastructure, transforming and upgrading the manufacturing industry, increasing the loan balance, and improving operating profits.

### b. Bank organization and Change

To deepen the information security governance, the Bank has approved the appointment of the Director of Information Security at the level of vice president at the 15th meeting of the 26th Board of Directors on July 22, 2021, for coordinating the information security policies and resources allocation.

### c. Operational planning and implementation results of management strategies

- In profit performance, with the concerted efforts of all employees, our net income before tax has returned to 10 billion in 2021, and net income after tax of NT\$ 8.804 billion, an increase of 25.04% compared to 2020. EPS after tax was NT\$0.84, and ROE was 5.23%. In terms of asset quality, as of the end of 2021, the Bank's nonperforming loan ratio was 0.33%, and the loan loss provision coverage ratio was 386.90%. It all shows the Bank's efforts in maintaining stable asset quality.
- 2. Business development:

- (1) Deposit/Loan business: To optimize the deposit/loan structure, the Bank actively increased the demand deposits ratio and made efforts to increase the proportion of credit ratio of the SME customer base simultaneously, resulting in the balance of SME loans growing by 11.78% compared to 2020. In addition, to support youth entrepreneurship and small and micro enterprises, the Bank provided a wide range of loan products, including loans to more than 7,000 young entrepreneurs throughout the year, an increase of more than 950% compared to 2020; Furthermore, the Bank also targeted customers who have the need to buy a house for self-occupation to expand its mortgage loan business. In 2021, the Bank's deposit/loan volume witnessed a steady growth, increasing the average balance of total deposits by 11.31% and 4.80% in the average balance of total loans compared to 2020.
- (2) Digital finance business: The epidemic has accelerated the development of contactless financial services, and the Bank has been actively enhancing various digital financial services, such as: web page for digital deposits to provide friendly financial services in compliance with accessibility regulations; video verification identity to enable the designated transfer settings of the internet banking; online application and automatic transfer function of labor relief loans; and cooperating with O'Pay Electronic Payment Co., Ltd. and ezPay Co., Ltd. to bind with the Bank's account for payment through their APPs.
- (3) Wealth management business: In 2021, the Bank launched 90 new wealth management products to provide customers with diversified asset allocation options in response to the booming investment market and rising investment decisions; at the same time, the Bank introduced 2 exclusive "target date fund" investment link products, 8 ESG-themed funds, and 1 discretionary investment-oriented policy to in line with market trends; meanwhile, the Bank planned exclusive rights and benefits for our customers and provided differentiated, honorable, and high-quality services. In 2021, wealth management accounted for about 60% of the overall net fee income, increasing about 2% compared to 2020.
- 3. Sustainable development:

The Bank has been paying long attention to the international trend in sustainable

finance and incorporated ESG factors into the core business and operational activities. The sustainable development work plan has been formulated every year and tracked and reviewed to implement it. In 2021, the Bank has achieved important goals in environmental, social and governance aspects.

(1) Environmental Aspect:

To enhance the resilience of climate governance, the Bank has signed up as a TCFD supporter and received the highest level of "Excellence" certification through third-party verification. For the sustainable development of the environment, the Bank has formulated a water management policy and introduced the international standard of ISO 46001:2019 Water Efficiency Management System, verified by the British Standards Institute (BSI).

(2) Social Aspect:

In response to the trend of internationalization and to enhance our sustainable competitiveness, the Bank has completed the bilingual services in 31 branches in Northern Taiwan, 12 branches in Central Taiwan, and 10 branches in Southern Taiwan. The Bank has established 53 bilingual branches to provide a bilingual environment and consulting services in both Chinese and English. In order to create a high-quality and healthy workplace to protect employees, the Bank has participated in the "Healthy Workplace Certification" organized by the Health Promotion Administration, Ministry of Health and Welfare, and was awarded the highest honor "National Outstanding Healthy Workplace – Energetic and Active Award", which shows the Bank's active efforts to implement workplace health management.

(3) Governance Aspect:

In response to the development of digital financial technologies and strengthening of the corporate governance mechanism, the Bank established intellectual property (trademark) management system and passed the first application for the Taiwan Intellectual Property Management System (TIPS) Level A verification to improve the intellectual property risk protection capability.

- (2) For customer service, the Bank launched the "Payroll Express Loan" online application service, new digital deposit application for minors, the second phase of "consumer information inquiry" service, etc., and optimized the easy transfer, mobile phone number transfer, etc.
- 2. Business research

To keep abreast of the latest industry and economic development trends, the Bank has set up a dedicated unit to collect and analyze the economic, industry, and market-related information and prepare overall economic and industry outlooks and research reports as a reference for business promotion and marketing interviews of all units in the Bank. In addition, to promote the business innovation and development, all employees are encouraged to conduct research on current business development trends and financial-related issues, and a total of 24 business research reports have been issued in 2021.

3. Big data application and development

At present, big data applications have extended from machine learning to deep learning. The Bank regularly collects news and critical information from TWSE/TPEx-listed companies and uses semantic analysis and transfer learning to increase the accuracy of model training from 70% of the traditional model to 92%. Through model output, the Bank develops a new marketing and promotion model for the corporate finance business and uses artificial intelligence and automation in FinTech to integrate the resources into expanding core business volume, SME customer base, and loan volume and speeds up the "Market Penetration Rate" of the Bank's financial services.

### B. 2022 Highlights of Business Plans

### a. Business Directions and Operational Policies

In 2022, the Bank will adhere to the strategy of the "Customer-oriented, Integrity and Sustainability" and will focus on five operating directions, including:

- 1. Optimize income and asset structure, and actively increase profits.
- 2. Deploy digital transformation and build a financial ecosystem.

- 3. Deepen legal compliance and implement three lines of defense for internal control.
- 4. Practice fair hospitality and commit to developing green finance.
- 5. Improve information and operational efficiency, and strengthen information security governance.

Important operating policies are as follows:

- > Operation
- 1. Optimize deposit/loan structure and improve loan to deposit spread to enhance profitability.
- 2. Maintain stable asset quality and promote green energy/circular industry development to seize related business opportunities.
- 3. Develop diversified financial products, focus on high-asset customers services, and facilitate the transformation of the wealth management business.
- 4. Secure the business opportunities in the post-epidemic and accelerate digital financial services' development to build a financial ecosystem.
- 5. Actively expand overseas operations to increase overseas business and profitability, and enhance overseas operational performance.
- Management
- 1. Enhance bilingual and professional capabilities, cultivate human capital, and deepen the legal compliance and integrity culture.
- 2. Strengthen the inspection, monitoring, and risk management mechanisms and implement the three lines of defense for internal control.
- 3. Adopt a customer-oriented approach, implement the principles of fair customer treatment, and protect the rights and interests of financial consumers.
- 4. Optimize operational procedures, improve operational efficiency, and promote paperless operations.
- 5. Strengthen information security measures and control management and improve information security governance.

### **b.** Business Operational Targets

### C. Future Development Strategy

Looking forward to 2022, the Bank will continue to expand the customer base of SMEs based on taking into account profit improvement and risk control and becoming an essential partner for capital allocation. At the same time, the Bank will target high-quality mortgage customers and expand its consumer loan and wealth management mortgage to build a solid foundation for the credit business. In addition, to enhance the synergy of wealth management and focus on serving high-asset customers, the Bank actively develops a high-end wealth management center, provides a full range of financial products and services to satisfy customers, and enhances sales momentum. On the other hand, the Bank accelerated its digital transformation, focused on cross-industry cooperation, expanded the scope of business applications and targeted marketing, and expanded the financial ecosystem to strengthen the stickiness between customers and the Bank.

Facing the post-epidemic era, the Bank will grasp the business opportunities of contactless financial services, drive-by digital technology, fully sprint core business, and actively develop multiple profit channels. At the same time, we will continue to strengthen our sustainable competitiveness, integrate ESG strategies into various operational activities, aiming to create a new future with steady and stable development for the next hundred years.

### D. The Impact of the External Competitive Environment, Regulatory Environment and Macroeconomic Environment

### a. External Competitive Environment

With the opening of three internet-only banks in Taiwan, the enabling of banks to enter the data-sharing stage, the integration of electronic payment and e-ticket management regulations, etc., the highly competitive banking industry is facing an increasingly fierce competition environment, coupled with the impact of the epidemic, which has accelerated the digital transformation of the banking industry. The advantages of traditional banks lie in the strong brand awareness and trust and the warmth when serving customers face-to-face. In order to enhance our competitiveness, the Bank continues not only to strengthen its existing advantages but also to make strategic alliances with different industries through the application of FinTech, develop differentiated financial products and services, innovate financial consumer experience, and strive to build a financial ecosystem and adhere to the professional and sustainable operation of "Service, Efficiency, and Innovation".

### b. Regulatory Environment

- 1. In August 2021, the Bankers Association amended the "Principles of Internal Control related to Preventing Misappropriation of Client Funds by Wealth Management Specialists", effective on January 1, 2022. The amendment mainly focuses on strengthening the regulations related to Article 9 - Prevention of Private Financial Dealings between Wealth Management Specialists and Customers and Article 11 - Prevention of Self-generated Statements by Wealth Management Specialists. To protect the interests of our customers, the Bank will continue to foster a culture of legal compliance and integrity, strengthen internal control measures, and implement risk management.
- 2. The Financial Conduct Authority (FCA) announced the withdrawal of the LIBOR rate from 2022, which will affect the interest rate pricing in the foreign monetary market. Therefore, the Bank has established a "Working Group on the Conversion Plan for the Termination of LIBOR" to evaluate the impact of LIBOR conversion and withdrawal. The Working Group has formulated a responding plan and schedule, and adjust the schedule promptly under the requirements of the national authorities and the actual business operation of the Bank to ensure the smooth implementation of the overall plan.

### c. Macroeconomic Environment

With the continuous increase of the vaccination rate in various countries, the global economy expects to continue the recovery trend from last year. However, the difference in vaccination progress has caused a gap between the progress of epidemic control and economic recovery in various countries, thereby resulting in a longer duration of bottlenecks in the global supply chain and higher inflationary pressure. In addition, considering that the prices of assets such as stocks and real estate in various countries have reached historical highs, the central banks of different countries take measures such as raising interest rates or reducing bond purchases to curb inflation, some assets may face the risk of bubbles. Furthermore, the global economy still faces many

uncertainties, including the potential threat of a variant virus, the impact of China's regulatory policies on the economy and the real estate industry, the effect of global minimum corporate tax and international carbon reduction policies (such as the EU's carbon border adjustment mechanism) on the Economic and industrial impact, etc.

On the whole, the uncertainty of the overall economic environment depends on the development of the epidemic and inflation in various countries, and changes in monetary policy. Fortunately, the industry is driven by the continued strength of domestic demand, the recovery of consumption, the continued expansion and investment of semiconductor manufacturers, and the return of Taiwanese businesses. Looking forward to 2022, although it is difficult to match last year's rapid growth, still expected to remain positive.

### **INDEPENDENT AUDITORS' REPORT**

The Board of Directors and Stockholders Chang Hwa Commercial Bank, Ltd.

#### Opinion

We have audited the accompanying consolidated financial statements of Chang Hwa Commercial Bank, Ltd. (the "Bank") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Public Banks, Regulations Governing the Preparation of Financial Reports by Securities Firms and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The following is the description for the key audit matter in the audit of the consolidated financial statements of the Group for the year ended December 31, 2021.

#### Impairment Assessment of Loans

Loans are the most important assets of the Group. As of December 31, 2021, the balance of the Group's loans totaled \$1,554,775,087 thousand, accounting for 61% of the Group's total consolidated assets. The Group assessed the impairment on loans in accordance with IFRS 9 and with relevant regulations on recognizing allowance for loans. As the assessment of the impairment on the aforementioned assets involves the management's critical judgments, estimations and assumptions, we considered the impairment assessment on loans as a key audit matter. Refer to Notes 4, 5 and 12 to the Group's consolidated financial statements for related information.

Our main audit procedures performed in response to the key audit matter described above were as follows:

When assessing the appropriateness of the impairment on loans, we understood and tested the internal controls relevant to the lending process and assessment of loan impairment. We tested whether the expected credit loss was calculated by loans grouped by borrowers and credit risk characteristics. We further verified whether the parameters utilized in the impairment loss model (including probability of default adjusted for forward looking factors, loss given default, and exposure at default) reflect the actual situation, and recalculated the impairment loss on loans, examined the classification of loan credit assets, and assessed the loan provisions in compliance with relevant regulations.

#### Other Matter

We have also audited the financial statements of Chang Hwa Commercial Bank, Ltd. as of and for the years ended December 31, 2021 and 2020 on which we have issued an unqualified opinion.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Public Banks, Regulations Governing the Preparation of Financial Reports by Securities Firms and IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Mei Hui Wu and Tung Feng Lee.

#### Notice to Readers

The accompanying consolidated financial statements are intended only to present the consolidated financial position, financial performance and cash flows in accordance with accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to audit such consolidated financial statements are those generally applied in the Republic of China.

For the convenience of readers, the independent auditors' report and the accompanying consolidated financial statements have been translated into English from the original Chinese version prepared and used in the Republic of China. If there is any conflict between the English version and the original Chinese version or any difference in the interpretation of the two versions, the Chinese-language independent auditors' report and consolidated financial statements shall prevail.

### **INDEPENDENT AUDITORS' REPORT**

The Board of Directors and Stockholders Chang Hwa Commercial Bank, Ltd.

#### Opinion

We have audited the accompanying financial statements of Chang Hwa Commercial Bank, Ltd. (the "Bank"), which comprise the balance sheets as of December 31, 2021 and 2020, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Bank as of December 31, 2021 and 2020, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Public Banks and Regulations Governing the Preparation of Financial Reports by Securities Firms.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The following is the description for the key audit matter in the audit of the financial statements of the Bank for the year ended December 31, 2021.

#### Impairment Assessment of Loans

Loans are the most important assets of the Bank. As of December 31, 2021, the balance of the Bank's loans totaled \$1,538,006,854 thousand, accounting for 60% of the Bank's total assets. The Bank assessed the impairment on loans in accordance with IFRS 9 and with relevant regulations on recognizing allowance for loans. As the assessment of the impairment on the aforementioned assets involves the management's critical judgments, estimations and assumptions, we considered the impairment assessment on loans as a key audit matter. Refer to Notes 4, 5 and 12 to the Bank's financial statements for related information.

Our main audit procedures performed in response to the key audit matter described above were as follows:

When assessing the appropriateness of the impairment on loans, we understood and tested the internal controls relevant to the lending process and assessment of loan impairment. We tested whether the expected credit loss was calculated by loans grouped by borrowers and credit risk characteristics. We further verified whether the parameters utilized in the impairment loss model (including probability of default adjusted for forward looking factors, loss given default, and exposure at default) reflect the actual situation, and recalculated the impairment loss on loans, examined the classification of loan credit assets, and assessed the loan provisions in compliance with relevant regulations.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Public Banks and Regulations Governing the Preparation of Financial Reports by Securities Firms, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Bank's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Bank to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Bank audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Mei Hui Wu and Tung Feng Lee.
