Step 9-1 Set up transaction security control graphic lock.	Step 9-2 Verify transaction security control pattern lock.	Step 10 Binding complete.
		

登入 ChaiBo APP 後，若暫不綁定行動御守 2.0(彈跳視窗點選暫不設定)，之後也可點選「更多」至「設定」裡的「我的裝置」進行行動御守 2.0 綁定

After logging into the ChaiBo APP, if you do not bind device immediately (select "Not set for now"), you can later select "**More**" to "**Settings**" and then "**My device**" to bind the Mobile Guardian 2.0.

Step 1 After logging in, select " Not set for now".	Step 2 Tap "More" in the bottom right corner	Step 3 Tap "Settings"
		
Step 4 Tap "My device"	Step 5 Continue to complete device binding
